

*We know how to unwind.  
It's in our nature.*

When nature puts you in the picture. When you check your body clock by the seasons. Where food always tastes like it should. And, where there's time to enjoy it all. Here is a destination so perfectly designed chance had no hand in it. Framed between the mist capped mountains of the Daintree and the shimmering ribbons of the Great Barrier Reef is a region of beauty rare. World Heritage-listed for the pleasures of future generations. And accessible to all who enjoy the true pleasures of life.

## What's New and What to Do

- Try a downhill adventure ride inside a giant Zorb ball, or exploring the rainforest on an ATV.
- The annual ten day village Carnivale in late May. It's the ultimate Port Douglas extravagant, food, sun, wine and fun event not to be missed.
- Feeling fit? A long distance ocean paddle, world class mountain bike ride and an iron distance triathlon event, plus an adventure marathon all in Port Douglas.
- Exhausted after reading that? Relax in one of our heavenly 20 wellbeing centres.
- Into heavenly bodies? The full solar eclipse is 14th November 2012 and the best place to see it? Port Douglas of course, with it tracking directly overhead.
- Immerse yourself in the local Markets every Sunday. Try an amazing hand salt scrub or a reviving foot massage and pick up locally crafted souvenirs.
- Try your hand at the Stand Up Paddleboard craze with a tour around Four Mile Beach or Low Isles, spotting amazing sea wildlife and getting up close with pristine reef flats.
- Let your taste buds drive you to test new restaurants and menus making the most of the region's fresh seafood and produce.
- Enjoy a relaxing sunset sail on a choice of luxury catamarans or mix it with the locals on the Wednesday evening fun race.
- If you need a midnight snack, make sure you stay in one of over 1200 beds complete with 24 hour room service.
- With bike paths galore and one very long beach, explore Port Douglas with a fun bike tour including our historic cemetery.
- Rather be fishing? Then Port Douglas is your mecca from the reef to the estuary, hunting the elusive barramundi or that one-in-a-lifetime marlin. It's all here including a big game fishing tournament in November.

Adventurous by Nature
